Budapest, day month 2022

CERTIFICATE

This is to certify that no cultivation of any kind of genetically modified plant variety/hybrid is authorised in Hungary according to the legislation in force.

Since 1999 the Ministry of Agriculture and its predecessors, certified/authorised the deliberate release of GMOs into the environment only for field trial purposes and under strictly controlled conditions by the authorities.

This document cannot be used to certify the GMO-free status of lots intended for seed, vegetative propagating material, food or feed purposes.

This certificate has been issued on the basis of Article 31 of Act. No. XXVII of 1998 on gene technology by request of *name of the applicant (address of the applicant)* on *date*.

My competence is established by point b) of Article 4 (1) of Act. No. XXVII of 1998 on gene technology and Article 1 (3) of Government Decree No. 132/2004. (IV. 29.) on the authorisation procedure of the gene technological activity as well as on the liaison with the European Commission.

On behalf of the Minister of Agriculture,

.....  
Head of Department
